**FRED VIGEANT**  
Vice President &  
Chief Audience Officer

Welcome to 2025! I'm glad you're here and ready to watch some exciting new programs on WITF TV.

**Death in Paradise** is back in the schedule with new episodes! DI Neville Parker is back for a new season solving crimes under the bright and beautiful sun.

Leading off the new season is a two-part **Death in Paradise** Christmas special. Hopefully you tuned in for the first half of the two-part special, which aired on December 28, but you can catch up for part two, airing January 4. The 13th season rolls out on Saturday nights at 8pm on WITF TV.

On New Year's Day, we visit London for a live broadcast of their **London's New Year's Day Parade 2025**. This event, now in its fifth decade, includes performances by more than 20 U.S. marching bands and a thousand varsity cheerleaders who fill the streets of the U.K. capital.

While no local bands are featured this year, we certainly enjoyed seeing Lebanon Valley College's Pride of the Valley Marching Band in years past. Watch the parade live at 7am or the instant repeat beginning at 10:30am.

On January 5, **Vienna Blood** returns for a fourth season on Sunday nights. The season finds the unlikely detective duo in 1909 Vienna, where the double murder of a senior public official and an arms dealer in police custody has shaken the city to its core. Watch the premiere on January 5 at 10:30pm, and the remaining episodes on Sundays at 10pm.

The 50th season of **Austin City Limits** continues on January 11, featuring performances by Norah Jones, followed in subsequent weeks by The Avett Brothers and Mickey Guyton. Stay tuned later this spring for a spectacular celebration of 50 years of

### **Austin City Limits.**

This month is also packed full of **MASTERPIECE** favorites. The two top titles of recent years kick off their fifth seasons on January 12. **Miss Scarlet** (without The Duke) leads the night at 8pm followed by the ever popular **All Creatures Great and Small** at 9pm.

**All Creatures Great and Small's** previous season was quite a rollercoaster of emotion. We'll wait and see what excitement awaits us in season five, but it's a delight to have Tristan back in the fold.

Don't forget we have a podcast that discusses **All Creatures Great and Small**. New episodes are released every Monday, the day following each episode's premiere on PBS and WITF TV.

January isn't all drama, of course! The 43rd season of **Nature** resumes on January 22 at

8pm. **Big Cats, Small World: Landlords** features more beloved big cats. In Africa, there's a special, small world where three big cat families have carved out a space to raise their young... all while trying to avoid each other. How do they live and prosper?

One more thing to note: WITF membership includes access to WITF Passport. **Vienna Blood, Miss Scarlet, All Creatures Great and Small** — and many others — are available to binge on your own time! Be sure to take advantage of this member benefit.

That does it for now. I always look forward to hearing from you. Please, feel free to contact me on social media, by mail or email [customerservice@witf.org](mailto:customerservice@witf.org). We'll talk again soon!

**Experience The Four Phantoms  
in Concert!**

Enjoy this spectacular show at the Whitaker Center on March 28!
